- Robert Rodriguez - The Director's Chair (itunes)

SCREENWRITING SOFTWARE

- Celtx - free - cheap
- Highland - cheap
- Final Draft - pricey

The best way to learn script formatting is to read screenplays. You can get tons for free at imsdb.com. Or other sites like Drew's Script-O-Rama or Go Into the Story.

Recommended reading: Dave Trottier's *The Screenwriter's Bible*, William Goldman's *Adventures in the Screen Trade*, Chris Vogler's *The Writer's Journey*.
